Re: State v. Arcadio Nova

Dear Mr. Nova:

We would like to share some issues that were recently discovered. Apparently the police lied under oath and disregarded other possible suspects pertaining to your kidnapping conviction. We hope this information will strengthen your case.

Should you have any questions regarding the Kidnapping statute, 2C:13-1, please call us. We will work tirelessly to exonerate you from this charge.

Very truly yours,

Roberto J. Espinosa, Esq.
